

Corrigendum

This is with reference to Tender Notification No CSCB/IT/Micro-ATM/2018/01 published in various newspapers like The Tribune, Punjabi Tribune, Dainik Tribune, dated 10th March, 2018 and displayed at our website www.cscbapex.com. Bank has added few more terms which are as under:

1. **EMD (Earnest Money Deposit):** EMD is Rs 50,000/- (Fifty Thousand). EMD value should be submitted along with commercial bid by the way of Demand Draft in favour of The Administrator, The Chandigarh State Co-operative Bank Ltd.; payable at Chandigarh
2. **Instruction for Bidders:** The Bidder has to integrate / support for integration of the FI Gateway or any other necessary Application software solution with Bank Core Banking System (CBS), Biometric application System, ATM Switch as well as with Gateway systems of NPCI/UIDAI/any other Govt. Organization as required by Bank. Bidder should provide an undertaking stating the compliancy with the scope of work and technical requirement as per the RFP.
3. **Payment Terms:** Payment: Payment shall be released by Bank as per the following terms:
 - i. Banks will not pay any advance for the execution of the project.
 - ii. Payment for 50% of the value of goods supplied shall be released against proof of Delivery of consignment to the destination places as per dispatch instructions.
 - iii. Payment of 25% shall be released after making the Bank live on Card and pin based transactions on Micro ATM
 - iv. Remaining 25% payment will be released after making the bank live on AEPS Transactions.
4. **Projection Completion Time Frame: Phase 1 Implementing Micro ATM Card based on-us Micro ATM Card based Off-us [Acquirer] :**

The first phase of the project should be creating a readiness environment between the existing switch vendor, CBS and other infrastructures of the bank for which the bidder is allotted a maximum time of 30 days

Note: Grace period of a maximum of 7 days will be provided for the prospective bidder to implement The first phase of the project. If the bidder fails to implement the same within the allotted time frame, the bank at its sole discretion may allot the project to other prospective bidder.

Phase 2 Implementing Micro ATM Card based on-us Micro ATM Card based Off-us [Acquirer] : The second phase of the project should be implementing the **Card based Onus and off-us transaction on Micro ATMs**, The Bidder in this respect is responsible for implementing the card based transactions as per the scope of work in not more than 30 days.

Note: Grace period of a maximum of 7 days will be provided for the prospective bidder to implement the card based transactions if genuine difficulties in implications are raised. If the bidder fails to implement the same within the allotted time frame the bank at its sole discretion may allot the project to other prospective bidder.

Phase 3 Implementing the AEPS transactions: The Third phase of the project should be implementing the AEPS transaction on Micro ATMs, The Bidder in this respect is responsible for implementing the AEPS transactions as per the scope of work in not more than 90 days subject to the time delay in implementing the same from UIDAI/NPCI/IDRBT.

Hence the above correction may please be noted by all the applicants, the other terms & condition contained in the Principal Notice shall remain intact.
